POSITIVE QUOTE OF THE DAY

The abundant life does not come to those who have had a lot of obstacles removed from their path by others. It develops from within and is rooted in strong mental and moral fiber.

-- William Mather Lewis

Those We Need to Remember

Linda Dodd called Harley Saturday morning to give an up date on their family. Pete has a tumor in his intestinal track. Surgery has been urged since it is estimated that he will need another blood transfusion in two weeks if he doesn't have the surgery. He was in Baylor at Waxahachie, but may be moved to another hospital.

Jodie Peterson has had a recurrence of her cancer. Jodie is the mother of Shannon Minter, Linda Dodd's daughter-in-law.

Linda also told me that Joanie's mother also has cancer and has been given about two weeks to live. Stephen Peterson's father (Shannon's dad) has also been diagnosed with cancer. Obviously, this family has really been hit hard with cases of cancer and tumors. Let's keep all of them in our prayers.

Thanks for Those Who Took Harley's Place

Harley wants to express his thanks to all those who have expressed their concerns for his health during his illness last Sunday. He would also like to thank John Daniel for teaching his class, Glenn Kiefer for preaching Sunday, and Dale Brawner for preaching Sunday evening.
