ETHE JEAN- CLAUDE

DEAR IN CHRIST,

Greetings, Hope things are well in your side. Praise be to God. How is your family? How are the members of the Church doing. I could not view my mails since yesterday because since Thursday, Linda have not being doing fine, and yesterday night she was admitted in the Bonaberi hospital, where our Beloved brother in Christ Dr. EKAMBI of the Bonaberi Church work, unfortunately he is absent, he went on medical mission in North-west province. Well I phone him and told him what was wrong and he call another Doctor to take care of us. I praise God for having such peoples in our midst to help. Yesterday while we were in our Friday singing classes, my phone has to ring in during the class which is incorrect, because I suppose to close my phone when I get in the Church hall. But I forgot to do so. And we were singing, I have to rush outside to answer the phone call only to realize that my wife Cathérine is the one calling telling me to meet her in the Bonaberi hospital

where she is admitted with the child. She was going to her home town Bekoko, on the way towards the motor park in Bonaberi, the child started vomitting, and her temperature rose to 41°C. so her mother panic and took her in the hospital, Linda is lacking blood, and this morning I am just after my family to come for our help by giving blood, Well they have already taken one liter of blood from me, now I left my uncle and my aunt there who are also providing blood. The child is too weak this day, and we are out of finance you can imagine on a Saturday, while all banks are close. No way to get money, now I borrow 4000 FCFA from brother Tsafack paul Bertin and now I want to rush to brother Jupiter who promise also to borrow me 10.000 FCFA so I have to rush there. Agatha and Cathérine spend the whole night up. While I have to go back in the house à 2.30 am to look for Jim-ELLA and Reine, and to tell Stephen and Daniel in the house to take care of the house that I will not be in. As we finish the singing classes yesterday, brother Jupiter and Tsafack came in the hospital and we pray together. I hope God will help this situation. The help I need fom you is PRAYERS. And I fully believe that your prayers will be of a great help to this situation. None of my children have never suffer this situation, I am so surprise, but It is normal for one has to be sick also. I also know that when I am worry, my God is not worry because he is in control and knows the right thing to do for me to always in GOOD OR BAD time remain more stronger to shame the devil. For our God is living. Keep the little Linda in your hearth and my wife Catherine. Prays for Us.

In Christ

ETHE Jean-Claude
